# START USING THE WIRELESS HEADSET

## 1) Charging the wireless headset

- a) Ensure the headset is off before charging.
- b) Connect the micro USB end of the charging cable to the Micro USB charging port and the standard USB end to a charging port.
- c) The LED indicator will be green whilst charging. It will turn off when it is fully charged.

Note: Please charge the headset for at least 8 hours before first use. Please make sure that the headset is switched off when charging is in progress.

## 2) Pairing the wireless headset (switched off)

Step 1: Activate Bluetooth function on your mobile device to begin pairing with headset.

Step 2: Press and hold onto the power button until the LED light flashes.

Step 3: Connect to the headset by selecting 'Valore BTS03' under the device list.

Step 4: Once connected, the LED light will be turned off.

If password is required, enter '0000' or '1234'.

Note: If the pairing is not successful, please turn off wireless headset first, and then re-pair again. After pairing is successful, paired devices will remember each other. Unless pairing information is deleted because of new pairing, no need to pair when using the next time.

If you want to pair the wireless headset with other devices, please turn off Bluetooth function of existing source device, and pair the wireless headset with the new device according to steps 1-4 mentioned above.
