- ③ Volume '+'
- ④ LED Indicator
- ⑤ Mic
- ⑥ Charging indicator
- ⑦ Micro USB port

# START USING THE WIRELESS SPEAKER

## 1) Charging the wireless speaker

Connect the USB charging cable to both side of the speakers located at the back.

Note: Please charge the speaker for at least 8 hours before first use. Please make sure that the speaker is switched off when charging is in progress.

## 2) Pairing the wireless speaker (switched off)

Step 1: Activate Bluetooth function on your mobile device to begin pairing with headset.

Step 2: Detach the 2 speakers which were magnetically held together, they will be automatically switched on. (When blue LED light is flashing, then it is ready to pair.)

Step 3: Connect to the speaker by selecting 'Valore BTS126' under the device list.

Step 4: Once connected, the LED light at the will be solid blue.

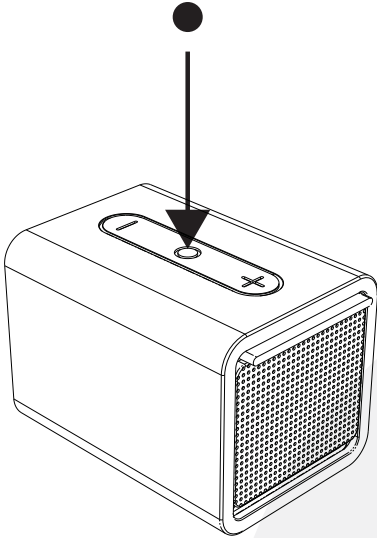

Note: If the pairing is not successful, please turn off wireless speaker first, and then re-pair again. After pairing is successful, paired devices will remember each other. Unless pairing information is deleted because of new pairing, no need to pair when using the next time.

If you want to pair the wireless speaker with other devices, please turn off Bluetooth function of existing source device, and pair the wireless speaker with the new device according to steps 1-4 mentioned above.

### 3) Wireless speaker controls

#### Call-pick function

When speakers are connected to your smart phone (blue LED lit continuously), whenever there is an incoming call, one of the speaker will give the ring tone- you can then press its function button  once on that speaker to pick up and use it as speaker phone. (press button once again will return the call to your smart phone to operate)

#### Adjust volume

During music playback or call, press & hold Volume '+' to increase speaker volume, or Volume '-' to reduce speaker volume. You have to press and hold until adjust volume to desire level.

#### Next-forward / Previous-backward

During music playback, press Volume '+' once will forward to play next track; press Volume '-' once will backward to previous track. You may press multiple times to forward or backward multiple tracks in a jump.

#### Play/Pause

During music playback, press  (M) once will pause playback, press again to resume play.

#### Battery low > recharge

There will be some beeping alert sound during playback. Then charge the 2 speakers.

# TROUBLESHOOTING

## **Issue 1: Speaker is unable to connect successfully to your mobile device**

Problem 1: Speaker's battery is flat

Solution: Fully charge the speaker (2.5 hours) and retry connection with your mobile device.

Problem 2: Speaker not paired to your mobile device

Solution: Make sure that the speaker is successfully paired upon selecting 'Valore BTS-126' in the device list.

Problem 3: Speaker and mobile device too far apart

Solution: Make sure that the speaker is within a metre range during pairing and connection.

Problem 4: Speaker is connected to other mobile device

Solution: Make sure that the speaker has already been disconnected before making a new connection with a new device.

## **Issue 2: Sound from the speaker is too soft or silent**

Problem 1: Speaker's battery is low / flat

Solution: Fully charge the speaker (2.5 hours) and retry connection with your mobile device.

Problem 2: Speaker or mobile device's volume is too low

Solution: Turn the volume of the speaker or mobile device up to increase the volume.

Problem 3: Music track may not be audible

Solution: Make sure that the music track is of a playable format for the mobile device.

Problem 4: Speaker and mobile device might not be connected properly.

Solution: Repeat the connection step via Bluetooth again to make sure that it is connected properly and try again.
